Ductile Iron Components Made Easy.

News Letter No: 101

June - 2010

Sub : Corporate Social Responsibility activities.

Magna has been keenly involved in CSR programs over the years. It has been nurturing primary education activities in the Government schools situated around its factory.

As part of this program magna has adopted the Government Child Welfare Centre, Singarampalayam, near to Magna Factory. This school started which has around 50 kids was lacking basic infrastructure.

Magna, upgraded the basic facilities of the school like renovation of building, providing study material for the kids etc.

Before renovation

After renovation

Magna had already adopted local primary and higher secondary schools by providing infrastructure, uniforms and text books.

We hope to continue and further expand on this social activities in the coming years.
