Mr. Imai San of Mitshibushi Heavy Industries, Mihara, Japan is formally opening the welfare center

The total built up area of the welfare center is 12000 sq. ft. (ground floor plus 2 floors).

The ground floor consists of a modern kitchen and canteen occupying an area of 4000 sq. ft. with seating arrangements for 100 people at a time.

The rest center consisting of 4000 sq. ft. built up area, provides seating / resting space for 75 people. The rest center is to be utilized by employees before / after night shifts.

Also being constructed is a training center with a training hall to accommodate a maximum of 100 people at a time and which can also be divided into two halls for 25 and 75 people at a time.

This new welfare center meets the long term expectation of our people in providing quality and hygienic food, comfortable rest place and an exclusive center for up-gradation of their skills.

This welfare center, we are sure will reflect itself in Magna, providing better quality products and services to our customers.
