

DEAR ,

News Letter No :- 178

Month :- May 2020

We trust that this message finds you and your family in good health. Amidst the global COVID - 19 outbreak, we wish to keep you updated about measures taken in our Company during this pandemic.

As we are all aware, the COVID -19 pandemic has brought about immense loss of human lives and disruption to economic activity resulting in unquantifiable damage across the globe. India is no exception, as our country continues to remain rightfully under a lockdown brought in to rein in the spread of this pandemic.

The Indian government enforced a state of total lockdown from March 25th to May 4th 2020. During this time, Magna was also in shutdown mode.

During this interim period, Magna ensured the safety and well being of its employees, especially the migrant workers. As part of our Corporate Social Responsibility, we also arranged to support 130 economically backward families who live around our factory with groceries, which were distributed with the help of local revenue officials.

நிவாரண பொருள் வழங்கல்

▶ கிணத்தக்கடவு முன்றல்பாடி கேட் கோவை-பொள்ளாச்சி ரோட்டில் செயல்பட்டு வரும் மேக்னா எலக்ட்ரோ கஸ்டிங்ஸ் திருவணத்தினர் ஊரடங்கால் பாதிக்கப்பட்ட மக்களுக்கு விநியோகிக்க ரூ.1 லட்சம் மதிப்புள்ள அரிசி, பருப்பு உள்ளிட்ட மளிகை பொருட்களை கிணத்தக்கடவு வட்டாட்சியர் சூடுதலியிடம் வழங்கினர்.

During Phase III of the lockdown, Magna received approval from the Government to work with 50% capacity. With further approval from local Government officials, we have started partial operations from May 6th by duly following the various Government guidelines and based on the SOP developed by us.

	<p>Body Temperature of the Employees is taken and recorded using thermal scanners before entry into the Plant.</p> <p>Social Distancing is being maintained across all areas of the Plant.</p>
	<p>Employees while entering and exiting the Plant have to Sanitize/Wash their hands.</p>

Usage of Masks and Gloves are made compulsory upon entry and within the premises.

Attendance System is recorded through Eye Scanner/RFID Tag and Fingerprinting system has been disabled.

All vehicles entering and exiting the Plant are sanitized.
Sanitizing of the Plant is undertaken at frequent intervals.

Social Distancing in the Dining Hall is being maintained by reducing chairs by 50% and ensuring that canteen staff has PPE.

Social Distancing is being maintained at work and employees are discouraged to gather in groups during discussions. All meetings take place through Zoom conferencing.

Frequent cleaning and sanitization of lifts and common areas are undertaken to ensure hygiene. Usage of Air Conditioners are restricted.

We are working together with our Customers on a priority basis to fulfill their immediate requirements. Based upon further feedback from Customers we will satisfy all the requirements as we ramp our operations up.

At Magna, we understand that we have to fight the virus by changing our life style and start implementing them.

STAY SAFE.
